Tucker says "I love every season of the year, especially Spring when the snow melts, the days get warmer, baby animals arrive, and there are lots of new smells for my sniffer. (Dogs have excellent noses for smelling!)"

#### Write It Down

The artist, Theodore Waddell, likes to illustrate lots of animals in his art that go on fun adventures with Tucker. What are some of the animals shown on the golf course? \_\_\_\_\_

If you could pick one animal as a pet, which one would you choose? Why? What would you name your pet? \_\_\_\_\_
